

CITY OF STERLING  
COMMUNITY SERVICES DEPARTMENT  
PRESS RELEASE  
(for immediate release)

The snowstorm that passed through the City of Sterling on Sunday February 1, 2015 left many trees and branches down throughout the community. The City of Sterling Public Works Department will be providing special pick-ups for **storm related** yard waste in the following weeks. Please place your storm related yard waste at the curb in front of your house or at the edge of your alley by **Sunday February 15**, 2015 for collection by City Crews.

**Storm related** yard waste does not need to be cut into 4 foot lengths for this special clean-up only.

You may also drop off yard waste at Public Works garage located at 1605 Ave L Monday – Friday between 7:00 am – 2:30 pm.

Please call Public Works office with any questions or concerns (815) 632-6657
